

TRA12.5 COMPULSORY EQUIPMENT

IMPORTANT NOTES

All compulsory items must be carried at ALL times while taking part in the event.

Compulsory equipment is what has been identified as the absolute minimum to keep you safe during the event.

Missing compulsory equipment = no start. Athletes should be prepared for random spot checks.

Missing compulsory equipment means that you will not be permitted to continue the race until the equipment can be replaced. Penalties will apply.

Weather Dependent equipment - A notification will be published on the Event App at least 24 hours before the event start advising if 'Weather Dependent Equipment is to be carried on the day. In this circumstance athletes MUST carry these items also. Missing 'Weather Dependent Equipment = no start.

Weather can be predictable and changeable in the area.

These courses take in remote trails including the Tomaree Coastal Walk where protection from the elements is not available and medical support could be some time or distance away.

ITEM	DESCRIPTION	WHY IS THIS COMPULSORY?	WEATHER RULING DEPENDENT	PROVIDED BY THE ORGANISERS
Water Bottle or Bladder 500ml Capacity	Water Bottles or Hydration Pack capable of carrying at least 500ml of water. Filled with 500ml of water at the start of the event.	Hydration is EVERYTHING! Poor hydration can lead to many negative medical outcomes and we want you to finish your race at the finish line, not in the medical tent. Drink regularly and drink often!	No	No
Enclosed Running Shoe	A trail running shoe is preferable as they provide grip, toe protection and drainage which will be paramount on this course.	To protect your feet from rough, jagged, rocky and uneven terrain.	No	No
Race Number	Visibility is Everything! Your race number must be visible at all times and must be worn on your front torso over the top of your outermost layer. Let's Get Attached Safety pins are provided at registration or you might choose to wear your number on a race belt. If you don't have a race belt you can purchase a TRA belt online, or pick one up at the merch store at Race HQ. Respect the Chip! Your race number comes with a disposable timing chip on the rear of the number. Please do not fold, bend or pierce your race number as this could damage the chip and we don't want to miss your awesome times.	So we can record your times throughout the event and we know exactly who you are.	No	Yes
Mobile Phone	For best coverage on the course Telstra is recommended. Please ensure you have: 1. Downloaded the I2A Event App and set up an account. This will give you access to emergency contact numbers on the day. 2. Fully charged your phone and ensured it has a SIM card that can connect to an Australian Cellular Network. Mobile phone coverage on the course is fairly strong except for some sections on the Tomaree Coastal Walk where coverage is patchy. If phone coverage is patchy a text message will usually be able to be sent in most places. High spots provide the best coverage in this area.	To make contact in an emergency if required	Download the I2A Event App for Apple Download the I2A Event App for Google	No

Emergency Space Blanket	Emergency Space Blanket (also known as an emergency or thermal blanket)	A space blanket is small and light, and it can keep you warm by retaining your body heat, keep you dry during rain, can provide ground cover to keep you dry, can attract attention, or be used for shade.	TR	No
WEATHER DEPENDENT				
Water Bottle or Bladder 1 litre Capacity	Water Bottle or Hydration Pack capable of carrying at least 1 litre of water. Filled with 1 litre of water at the start of the event.	Hydration is EVERYTHING! Poor hydration can lead to many negative medical outcomes and we want you to finish your race at the finish line, not in the medical tent. Drink regularly and drink often! For the TRA12.5, this will only be required on an exceptionally hot day	YES	No
Long Sleeve Thermal Top	The top should be made of either a high performance synthetic material made up of fibres that do not hold water (hydrophobic) or they can be made of lightweight wool which does absorb water but it remains warm to wear when wet due to warm air being trapped in tiny air pockets. Garments made of synthetic materials such as polypropylene, polyester and chlorofibre (PVC) are perfect as the fibres do not hold moisture.	These items are only required if the weather and conditions on the day are forecast to be inclement, cold, wet or windy. If you are injured in such conditions it is important that you have some options to keep yourself dry and warm until help arrives, which, due to the remoteness of some trails, can be some time or distance away.	YES	No
Waterproof Jacket	A breathable jacket with a hood and water proof seams is recommended. Plastic rain ponchos, wind jackets and water resistant jackets are NOT suitable.	The event managers will make a ruling as to whether these items are to be carried A notification will be published on the Event App at least 24 hours before the start advising if 'Weather Dependent Equipment is to be carried on the day. In this circumstance athletes MUST carry these items as well as the compulsory equipment listed. Missing 'Weather Dependent Equipment = no start.	YES	No
